Dear Mr. Nash,

On behalf of Friends of the Rouge, it is my pleasure to extend our deepest appreciation to Pure Oakland Water (POW) for your generous contribution to our organization in 2016.

We value our partnership - together we are making great progress.

I've enclosed a "year in review" document with highlights from one of our programs, the Rouge Education Project. Students that participate in the Project experience hands-on science education on the banks of their hometown river.

Your contribution, directly or indirectly through your partnership with Friends of the Rouge, helped us fulfill our mission of promoting restoration and stewardship of the Rouge River watershed through school-based water quality monitoring, investigation, and problem-solving.

We simply cannot thank you enough, and Friends of the Rouge looks forward to working with you in the future.

Thank you,

Erin Cassady
Rouge Education Project Program Manager
