Dear Mr. Nash,

On behalf of Friends of the Rouge, it is my pleasure to extend our deepest appreciation to Pure Oakland Water (POW) for your generous contribution of \$3,000.00 to support our organization and three key program areas: education, restoration, and stewardship.

Founded in 1986, Friends of the Rouge has been a consistent source of public education and citizen involvement for those living in the Rouge River watershed community. Your donation will be put to work right away, directly impacting the success of our programs and helping us fulfill our mission of improving the quality of life for the people, plants, and animals living in the watershed.

We are honored that Pure Oakland Water (POW) recognizes the impact of our work and truly appreciate your continued support. Please share our appreciation with all those who are involved with your giving program. We simply cannot thank you enough.

Thank you again for your support and all that you do for the community.

Sincerely,

Aimee LaLonde-Norman
